

Bulldozer/Industrial Strength Equipment Wash

Product Description

Bulldozer/Industrial Strength Equipment Wash is a biodegradable, liquid cleaner and degreaser for pressure washer or brush application. Use it to remove the heaviest oil, asphalt, grime and dirt. It does not affect paint or metal surfaces and is free rinsing to clean the dirtiest equipment.

DILUTION INFORMATION

Light Soil: 4 ounces of cleaner per gallon of water
 Heavy Soil: 6 ounces of cleaner per gallon of water

APPLICATION

Pressure spray or brush onto surface, agitate if needed and rinse when cleaned to desired level.

SAFETY

Must read MSDS before using product. Use precautions when handling product. Always wear eye protection, gloves, apron and recommended personal protection.

Key Features

- Biodegradable
- Metal contact safe
- Effective at low concentrations
- Fast Acting
- Use in hot or cold water
- Easy Rinse
