

Juice Tire/Interior Dressing

Product Description

Environmentally friendly **water based** all purpose dressing. Great for tires, wheel wells and vinyl or leather interiors. Dressing will produce a satin finish on all surfaces leaving a clean, new look. Effective as a protective treatment and gloss agent on many automotive surfaces such as vinyl tops, dashboards and tires. Pre-clean tires and vinyl surfaces.

DILUTION INFORMATION

Ready-to-Use

APPLICATION

Tires: Spray onto tire surface, wipe off any excess. Let dry.

Vinyl: Spray over surface. Spread evenly with a soft cloth for a satin finish. Let dry. May be buffed to a deep gloss.

SAFETY

Must read MSDS before using product. Use precautions when handling product. Always wear eye protection, gloves, and recommended personal protection. Keep product from freezing. Storage stability is 12 months.

Key Features

- Water based
