

# Mag & Wheel Cleaner

## Product Description

Mag & Wheel Cleaner is a biodegradable, heavy duty, liquid tire cleaner and brightner that will remove soil, black marks, grime and grease from whitewall tires. It's an alkaline cleaner intended for use in chemical tire applications and can be used in pressure washers or manually with the use of personal protection.

### DILUTION INFORMATION

For application through chemical tire applicators, set meter to 3 ounces per gallon of water depending on soil conditions.

### APPLICATION

Apply onto tires and agitate with brush. Let stand for 2 to 5 minutes and rinse thoroughly.

### SAFETY

Must read MSDS before using product. Use precautions when handling product. Always wear eye protection, gloves, apron and recommended personal protection.

## Key Features

- Biodegradable
- Economical and effective at low concentrations
- Fast acting
- Removes road film, oil, grease and black marks
- Use in hot or cold water
- Free-rinsing
