

Power Clean

Product Description

Power Clean is a biodegradable, liquid cleaner designed to remove dirt, oil and grease from floors, walls, equipment, parts and engines. It also dissolves and removes tar, asphalt, tree sap, adhesives, ink and paint with naturally occurring, biodegradable solvents. It's effective for use in pressure washers, Hudson sprayers, scrubbing machines, soak tanks, parts washers or by manually brushing or spray and wipe.

DILUTION INFORMATION

Note: If using this on painted surfaces, colored fabric, synthetic fabric or plastics, test product on inconspicuous location to determine suitability. Not for use on carpet.

Light Soil: 4 ounces of cleaner per gallon of water

Medium Soil: 6 ounces of cleaner per gallon of water

Heavy Soil: 12 ounces of cleaner per gallon of water

Oil and Grease Spots on Floor: 1 part cleaner with 1 part water

APPLICATION

Spray, brush, mop or apply with scrubber onto surface to be cleaned. Thoroughly rinse with water. If streaking occurs, reduce concentration. Product works best when applied to dry surface. For oil and grease spots, apply directly to spot, agitate with brush, let stand, then rinse with water. If spots persist, apply product let stand, rinse.

SAFETY

Must read MSDS before using product. Use precautions when handling product. Always wear eye protection, gloves, apron and recommended personal protection.

Key Features

- Biodegradable
- No harsh acids or caustics
- Fast Acting
- Removes tree sap, ink, soot, and tar

Specifications

Appearance	Clear Blue	Odor	Pine/Orange
pH (1% solution)	9.0 – 9.4	pH (undiluted)	11.2 – 11.6
Flash Point	>200°F	Weight	8.6 -9.0 lbs./gal
Biodegradable	Yes	Percent VOC's	12%
Solubility in water	Complete		

Available in bulk, 265 gallon tote, 55 gallon drum and 5 gallon pail
