

Transportation Cleaner

Product Description

Transportation Cleaner is a biodegradable, liquid cleaner designed to remove road film, soil and grease from cars, trucks, buses, trailers and trains. It can be used through a pressure washer, steam cleaner, self-service car wash, automatic car wash system or a bucket and brush. It leaves no spots on glass surfaces.

DILUTION INFORMATION

Light Soil: 1.5 ounces of cleaner per gallon of water
 Heavy Soil: 2.5 ounces of cleaner per gallon of water

APPLICATION

Spray or foam onto cars, trucks, trailers, buses or trains. Let solution stand for 1 to 3 minutes then pressure rinse with clean water. Results are best if washing is not done in direct sunlight.

SAFETY

Must read MSDS before using product. Use precautions when handling product. Always wear eye protection, gloves, apron and recommended personal protection.

Key Features

- Biodegradable
- Economical and effective at low concentrations
- Use on dried road film
- Fast acting
- Excellent foaming
- Use in hot or cold water

Specifications

Appearance	Clear Pink	Odor	None to Slight
pH (1% solution)	9.9 – 10.4	pH (undiluted)	12.7 – 12.9
Flash Point	None	Weight	8.8 – 8.9 lbs./gal
Biodegradable	Yes	Percent VOC's	<2%
Solubility in water	Complete		

Available in bulk, 265 gallon tote, 55 gallon drum and 5 gallon pail
