

## BENEFITS OF CHOOSING NOCO

### **Automatic Tax, Tariff, and Fee Reductions**

Eliminate fees and no longer pay sales tax on the delivery portion of your bill.

### **Same Reliable Utility Delivery Service**

Your utility will continue to read your existing meter, deliver your energy, respond to outages/emergencies, and send a consolidated bill.

### **Competitive Rates and Program Options**

Our programs are designed to put you in control of your energy bill. Whether you choose our fixed rate or market rate, NOCO is committed to providing the best combination of price and service.

### **Friendly, Accessible Customer Service**

Serving the community since 1933, NOCO's Customer Service Team is always a phone call or email away.

### **Fast and Easy Enrollment**

All you need is a few minutes and your utility account number. NOCO handles the rest. Once enrolled, the utility will notify you of your official start date by mail. It's that simple.
