

### Warranty Statements

Up to a 10% blend of ethanol is covered under warranty by *every* auto manufacturer that sells vehicles in the U.S. (listed below) for *every* make and *every* model of vehicle. Many of these manufacturers recommend ethanol's use because of its clean-burning and high-octane characteristics.

- BMW
- DaimlerChrysler
- Ferrari
- Ford
- General Motors
- Honda / Acura
- Hyundai
- Isuzu
- Jaguar
- Kia
- Land Rover
- Mazda
- Mercedes-Benz
- Mitsubishi
- Nissan / Infiniti
- Porsche
- Saab
- Subaru
- Suzuki
- Toyota
- Volkswagen / Audi
- Volvo

### Boats & Personal Watercraft

Warranty statements of the boat manufacturers listed below approve of the use of ten-percent ethanol blends in their inboard or outboard motors.

- Bombardier
- Honda
- Indmar Marine
- Mercury Marine
- Nissan
- Evinrude, Johnson
- Pleasurecraft
- Suzuki
- Yamaha

### Snowmobiles

The snowmobile manufacturers listed below have warranty statements that include ethanol as an approved fuel. Many manufacturers recommend its use to promote clean air in areas of heavy snowmobile use such as Yellowstone National Park.

- Arctic Cat\*
- Bombardier
- Honda
- Kawasaki
- Polaris
- Suzuki
- Yamaha

\* Arctic Cat requires that fuel designation connector be disconnected from ECU when using any oxygenated fuel.

### Other Small Engines

Ten-percent ethanol blends are also covered under warranty by these makers of other small engines.

- AGCO
- Ariens
- Briggs & Stratton
- Coleman
- ECHO
- Generac Power Systems
- Homelite
- Honda
- Husqvarna
- John Deere
- Kohler
- Lawn Boy
- Massey Ferguson
- Murray
- Poulan
- Sears
- Simplicity
- Snapper
- Toro
